

**Remarks/Arguments:**

Applicants acknowledge with thanks the courtesy extended to their representative by Examiner Swearingen during a telephone interview. At the time of the telephone interview, the Examiner and Applicant's representative discussed certain clarifications to the claims. The claims have thus been amended with the recitation of the prevention of access to one (or more, depending upon the claim) section of the data structure.

Allowance of the above-identified application is respectfully requested.

Respectfully submitted,
